# Perspectives and Pints

Perspectives and Pints is back with a top concern of young creatives: *entertainment and nightlife* in the region. We want to know what's hot (and what's not) about going out in Dayton - and how to fix it.

**RESCHEDULED!!!** Meet us at **Blind Bob's** at **430 E. Fifth Street** (Oregon District) on **Tuesday, February 10 from 6-7:30 PM.**

Joining the conversation will be regional leaders in arts and entertainment. They expect to hear from you about what you want in the city and to share current projects.
