### Changes to this Year's Summit

*Professional development, new time, bigger after-party, and chairs!*

The 2010 Young Creatives Summit still provides you with the chance to bring your ideas for changes you want to see to make our region a better place to live, work, and play. But some things have changed:

- New day and time! No Saturday morning wake-up calls. Join us at the Summit on a Friday afternoon to kick-off your weekend.
- New professional development workshops give you the skills you need to shape your community. Info online!
- More than just a pub-crawl, our new after-party celebrates the day with food, drink and fun at the Armory in the Oregon District.
- The 2010 Summit is streamlined for project success. Rather than hearing about every idea discussed - each participant will vote on the top idea from his or her breakout to build our action plan.

### Thanks to Our Many Partners:

Updayton is fortunate to have partnered with many local organizations for the success of the 2010 Summit. Area young professionals groups are moderating sessions and our many sponsors (including the UD Fitz Center, the Dayton City Paper and the Southwestern Ohio Council for Higher Education) are keeping the Summit well within your budget. Thanks all!
